

The Federal Communications Commission

Dear The Federal Communications Commission,

I do not want to pay more for my telephone service! Take a PAY CUT like the rest of us instead! Reject the flat fee proposal that would change how contributions are made to the Universal Service Fund. Quit taking MONEY from BIG BUSINESS and do the RIGHT thing for once, even though that is the hard thing to do. YOU know that you are putting the burden on the middle class yet AGAIN! Stop it, it's enough already.

I use my wireless phone for safety, security and convenience. I don't want to lose these benefits so that big businesses can pay less than their fair share. WHO'S idea was this anyway? I know, it was BIG BUSINESS greedy thinking again, oh yea, and what ever they offered you people isn't even a fraction of what they will rake in. YOU're not getting your fair share of this MONEY grab. Keep the USF Fair!

Thank you very much for your time ma'am.

Teri Hanson

Sincerely,

Teri Hanson
